Primary Examiner  
Art Unit: 3746

***Reply Non-responsive***

The reply filed on 11/23/05 is not fully responsive to the prior Office Action because of the omission(s) or matter(s) discussed herein below (see 37 CFR 1.111). Since the reply appears to be *bona fide*, applicants are given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

The previous Office Action includes a restriction requirement and a species election requirement. Applicants' reply responds to the restriction requirement but fails to respond to the species election requirement. To complete their response, applicants must elect a single species as instructed in the previous Office Action, and they must also list all claims readable on the elected species.

The previous Office action additionally points out that this case contains numerous redundant claims and advises applicants to make appropriate corrections. Applicants have not yet addressed this issue and they must do so in order to complete their response.
